2) Basis of preparation

(a) Statement of compliance

The condensed interim financial statements, as at and for the twelve months ended 31 December 2013, have been prepared in accordance with IAS 34 *Interim Financial Reporting*. Selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in financial position and performance of the Company since the last annual financial statements as at and for the year ended 31 December 2012.

These condensed interim financial statements do not include all the information required for full annual financial statements prepared in accordance with International Financial Reporting Standards (IFRS) and must be read in conjunction with the annual financial statements of the Company for the year ended 31 December 2012 prepared in accordance with IFRS as adopted by the European Union (EU).

These financial statements were authorised for issue by the Executive Director on 20.01.2014.

Notes to the interim financial statements

2) Basis of preparation, continued

(b) Going concern

Madara Europe is registered as a joint-stock company. As a joint-stock company, it is necessary to maintain net assets to be higher than registered share capital, and legal reserves to be at least 10% of registered capital. As at 31 December 2013 the total share capital (equal to net assets of the Company) is lower than the registered share capital. This is due to the fact that the Company is still in its initial development stage.

Since the Company has the financial support of the ultimate parent company, the financial statements have been prepared on a going concern basis, which assumes that the Company will be able to continue its activities in the foreseeable future.

(c) Basis of measurement

The financial statements have been prepared on the historical cost basis.

(d) Functional and presentation currency

These financial statements are presented in BGN, which is the Company's functional currency. All financial information presented in BGN has been rounded to the nearest thousand, except when otherwise indicated.

(e) Use of estimates and judgements

The preparation of the financial statements in conformity with IFRSs requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

3) Significant accounting policies

These condensed interim financial statements are prepared in accordance with the significant accounting policies of the last annual financial statements as at and for the year ended 31 December 2012 as well as the new standards, amendments to standards and interpretations which are in force for the financial year starting on 1 January 2013 and applicable for the Company.

4) New standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations, endorsed by the EC, are available for early adoption in the interim period ended 31 December 2013, although they are not yet mandatory until a later period. These changes to IFRS have not been applied in preparing these financial statements. The Company does not plan to adopt these standards early.

The Company does not expect the new standards, amendments to standards and interpretations to have significant impact on the financial statements.
