Dear Milen Marinov:

Congratulations! The records of the California Board of Accountancy indicate that you have successfully passed all sections of the Uniform Certified Public Accountant Examination. The grades awarded on the Uniform Certified Public Accountant Examination(s) were those reported by the American Institute of Certified Public Accountants and adopted, unchanged, by the California Board of Accountancy.

The passing grade for each section of the Uniform Certified Public Accountant Examination in California is 75.

It is important for you to know that you may not engage in the practice of public accountancy in California, nor hold yourself out as a certified public accountant unless you are the holder of a valid permit to practice public accountancy issued by the California Board of Accountancy.

Sincerely,

Patti Bowers, Chief
