

Revenue

For October 2012, according to preliminary data, the revenue from operations of Enemona Group of Companies reached BGN 8.358 million, with an expected total revenue from operations for Q4 2012 amounting to BGN 36.293 million.

In October 2012 the revenue from construction and energy efficiency contracts, amounting to 54.78% of the revenue, had the largest share in the consolidated revenue from operations of Enemona Group. The revenue from sale of electricity ranked second with 35.95%.

The expected consolidated revenue from operations of the Group in Q4 2012 is with 20.05% lower as compared to Q4 2011. That is primarily due to the lower number of new signed contracts during the first two quarters of 2011 in comparison with those signed during the same period in 2010 and because of the longer weighted average period of execution of the contracts signed during the last two years.
